St Francis Academic Offer

Academic Offer- MYP

“A challenging framework that encourages students to make practical connections between their studies and the real world, the MYP is inclusive by design; students of all interests and academic abilities can benefit from their participation”.

MYP in numbers

In 2017 MYP Certificates:

703 Schools

+66,000 Candidates

95 Countries

more than 30,000 candidates are US nationals

As of 2016, external moderation of the Middle Years Programme (MYP) personal project is mandatory and St Francis been meeting this requirement .

At the same time, schools can register for optional eAssessment in all other subjects of the programme .

Academic Offer IGCSE

**Cambridge Assessment
International Education**

“Cambridge IGCSE is the world’s most popular international qualification for 14 to 16 year olds. It is recognised by leading universities and employers worldwide, and is an international passport to progression and success. Developed over 30 years ago, it is tried, tested and trusted by schools worldwide.”

Universities around the world recognize the value of IGCSE.

In the United States IGCSE may serve as a proof of proficiency of English language.

British Universities will expect a grade A*-C in English and Maths.

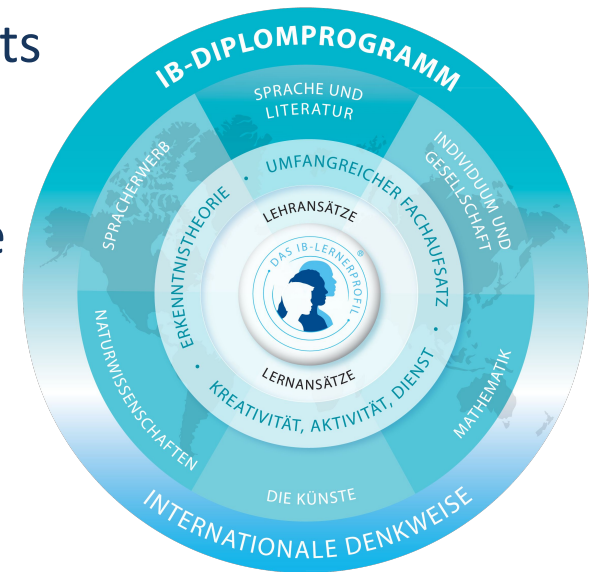

Some university systems (University of California) require official CIE transcripts when student has done IGCSE examinations.

Academic Offer DP

Through the DP, schools are able to develop students who:

- have excellent breadth and depth of knowledge
- flourish intellectually, physically, emotionally and ethically
- study at least two languages
- excel in traditional academic subjects
- explore the nature of knowledge through the programme's unique components Theory of Knowledge and CAS

Diploma Programme

International research shows that there are many benefits to choosing the DP over other 16-19 curricula. For example:

- DP students are better able than their peers to cope with demanding workloads, manage their time and meet the expectations placed on them.
- Analysis of DP students in Canada, the UK and the USA found that the DP's extended essay improves students' approach to learning in higher education

A photograph of a desert landscape. A dark asphalt road with double yellow lines curves through the scene, leading towards the horizon. The road is flanked by sandy dunes and sparse, low-lying desert vegetation. The sky is a clear, pale blue. A large, semi-transparent dark red rectangular box is superimposed over the upper half of the image, containing white text.

Success is a science; if you have
the conditions, you get the result.

Oscar Wilde
